DETAILED ACTION

Allowable Subject Matter

- 1. Claims 1-4 and 6-24 are allowed.
- 2. The following is an examiner's statement of reasons for allowance: regarding independent claims 1, 23 and 24 the prior art does not disclose nor suggest a warning light comprising an assembly of light emitting diodes (LEDs), one or more environmental sensors coupled to a control circuit further including means for receiving data and/or measurements from said environmental sensors and means for calculating optimal operating parameters for said LEDs, based on said environmental data and/or measurements and means for driving said LEDs in accordance with said calculated optimal operating parameters wherein said means for driving includes an inductive excitation circuit, as described in detail in the specification, allowing the device to operate from a wide range of electrical supply voltages.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
